Theme: Do What Others Won't

Song: Let Your Light Shine

By: Keb' Mo'

This world is ready and waiting
For you to break on through.
It's time to recognize,
To realize,
You're the only one like you.

**Step on up,
Step into your greatness.**

Don't be afraid.
There's a place where you will rise up to;
No one else could do what you do.

Get out of the way

Let your light shine
Let your love show
It's a short ride
Down the long road
When the rains come
And the winds blow
**Let your light shine
Wherever you go.**
